OPEN FORUM

Curtis will be attending Region on June 28 & 29, 2008 in Mobile. He also stated that the meeting schedules cost \$107.00 to print.

HOWL fundraiser on July 27, in Destin at Calhoun Park. Amy S. will be the speaker.

Beni stated that she took the PI literature to her home for distribution. Please contact her at 554-0732 if you need any literature for facilities.

Chuck stated that he had to purchase new checks for the Area due to a change in routing numbers. The new checks have lines for two signatures and cost \$30.00 for 150 checks.

Mark W. is our representing Regional Delegate (RD) and he came to support the Area. He spoke on several issues. H&I has a Reaching Out magazine. HOWL information should be placed on the website. NA is not listed in the PNJ and he stated that he had contacted PNJ and would follow up with them to insure NA gets listed. There was much discussion about the PR handbook.

Mark clarified that PR is not necessarily an umbrella for H&I and PI to join, but that he suggested only changing the letter 'I' to 'R' in PI. And finally, Mark asked for Area to give him a vote of confidence to serve at the Regional level.

GPANA,

The H&I subcommittee will be meeting via email until further notice because of gas prices, so if you'd like to be included on any discussions please submit your email to me and I'll put you on our list.

Mike Barnes has agreed to be Panel Coordinator for Pensacola and will handle things there, and, of course, if he needs us we are here. We will make arrangements to get literature to him when needed.

FWB

We went through orientation with 4 new H&I members. Two of them have jumped right in and are doing a great job.

The Thursday detox meeting has been suspended until further notice. They have combined facilities with CSU (crisis stabilization unit). I don't believe they have adequate protocol for our members to attend safely.

Thursday (7-8pm) Twelve Oaks - Justin and Nicole have tentatively agreed to continue as co panel leaders at Twelve Oaks for the upcoming year. Average attendance is around 35-40 people each week.

Friday (6:45-7:45 pm) Drug court - Debbie has agreed to continue on as panel leader for another year. Average attendance is around 15 people per week.

A grateful thank you goes out to them for being of service in H&I.

PENSACOLA

H&I meetings are still being held at the same locations as listed in previous H&I reports. Ed is the panel leader at Detox/DAART on Tuesday and Thursday nights. Escambia County men's jail meeting has restarted as of Thursday, March 13, 2008. Mike B and James B are presently facilitating the meeting. At this present time we need more willingness to help facilitate this meeting. Men's PFC is held every Friday at 6:00 P.M. at the Fairfield Work Release. Mike B. needs help with this meeting. Keaton meetings need male and female help. Kristina is the female panel leader. Wayne and Mike B are the men's panel leaders. (I'm not sure how current this is but will update when needed.)

As always we still need willingness from members to keep these meetings going, if you are interested in being of service in H&I please email me at langshaw2@cox.net. Keep on carrying the message so that no addict seeking recovery need die of the horrors of addiction!

H&I ROCKS!!!!

In loving service,
Shelly L
