Public Relations Report  
August 17, 2009

I have purchased four reams (2,000 sheets) of paper for meeting schedules at a cost of \$38.66 for which I have a receipt. One thousand meeting schedules are available now for distribution.

Tonight I intend to discuss future ways and means of printing meeting schedules and time and location of PR Subcommittee meetings. Additionally, I would like to discuss purchasing IPs, etc. for PR. One question I have is when was the last time money was allotted for PR?

In service and gratitude,

Mark W
