Summer is slowly coming to a close, school has started back, and the HOWL is on it's way! Congratulations again to Robert B. in being voted in as HOWL chair for a second year!

As you can see we have many days of clean time celebration this month. Take time out to attend these celebrations, this will give you opportunity to visit other groups and meet new recovering people in our Area.

Two anniversaries not given a date, but are going to be celebrated this month at Northside Connection are Sean A. and Karen A.

Soundside also sends their thanks for making their July Function a success.
